<p>Fluency</p>	<p>Understand the five key concepts about print: - print has meaning - print can have different purposes - we read English text from left to right and from top to bottom - the names of the different parts of a book - page sequencing</p>	<p>Re-read books to build up their confidence in word reading, their fluency and their understanding and enjoyment.</p>	<p>To read and understand simple sentences.</p>	<p>To accurately read texts that are consistent with their developing phonic knowledge, that do not require them to use other strategies to work out words. To reread texts to build up fluency and confidence in word reading.</p>	<p>To read aloud books (closely matched to their improving phonic knowledge), sounding out unfamiliar words accurately, automatically and without undue hesitation. To reread these books to build up fluency and confidence in word reading. To read words accurately and fluently without overt sounding and blending, e.g. at over 90 words per minute, in age-appropriate texts.</p>	<p>At this stage, teaching comprehension skills should be taking precedence over teaching word reading specifically. The focus on word reading should support the development of vocabulary. Fluency will include repeated reads, shared extracts and reading aloud to develop intonation and tone.</p>
